UST-34, BUSINESS SUMMARY OF DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare UST-34A (see next page) to include all bank accounts or other sources of the debtor's funds. The disbursement total will be used to complete this SUMMARY OF DISBURSEMENTS.

The debtor is responsible for providing accurate monthly disbursement totals for purposes of calculating the debtor's obligation pursuant to 28 U.S.C. § 1930(a)(6) to pay statutory fees to the U.S. Trustee. The disbursement total encompasses all payments made by the debtor during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

The U.S. Trustee payment is due on the last day of the month following the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. Because the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on actual disbursements for the calendar quarter, or portion thereof while the debtor is in Chapter 11 (i.e. until the case is converted, dismissed, or closed by final decree). Failure to pay statutory fees to the U.S. Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found on the U.S. Trustee's website located at:

http://www.usdoj.gov/ust/r18/p_library.htm

If you have any questions about how to compute the disbursement total, please call the U.S. Trustee's office:

Portland, OR (503) 326-7651
 Eugene, OR (541) 465-6330

(UST-34A, with attachments, should follow this page.)
